

OHIO PUBLIC PRIVATE PARTNERSHIP

OP3

Vision

Achieve a safe and prosperous future through an effective partnership between public and private sectors, committed to the resiliency of business operations and a return to normalcy for the citizens of Ohio after a disaster strikes.

Mission

In an effort to serve Ohioans before, during and after a disaster, the Ohio Department of Public Safety created the Ohio Public Private Partnership (OP3) to ***provide the opportunity for state and local government agencies, businesses, associations and universities to engage in crisis disaster prevention, planning, response and recovery efforts which will promote business continuity, speed recovery, improve the quality of life and build a Safer Ohio for all its citizens.***

Benefits of Ohio Public-Private Partnership (OP3)

- **Build a comprehensive network** of businesses, associations, universities and state agencies to jointly participate in disaster prevention, planning, response and recovery efforts.
- **Provide situational awareness** of imminent threats on a need-to-know basis through voluntary information-sharing between OP3 members.
- **Assist public and private sector entities with returning to normal operations** in the wake of a disaster by **sharing critical information** with OP3 members.
