

# SAFETY COUNCIL OF GREATER COLUMBUS

## 2022-2023 Sponsorship Opportunities

The **Safety Council of Greater Columbus** operates through the stipend provided from the Ohio Bureau of Workers' Compensation and sponsorships from generous companies. Please consider sponsoring the Council during 2022-2023! Every dollar is invested on programming, catering, speakers, incentives, awards and valuable training resources.

The SCGC budgets a \$1,200 monthly sponsorship to offset costs of the growing number of participants at meetings. You may choose to sponsor the entire meeting **OR** pay half a sponsorship and be paired up with another generous company! Sponsors also provide one or two prizes to be raffled off at the beginning of each meeting.

### Benefits

More than 250 people attend each monthly meeting, and sponsor benefits include:

- Your company listing on the SCGC website at [www.safecolumbus.org](http://www.safecolumbus.org).
- Verbal recognition during the opening speech at the meeting you sponsor.
- Table tent signage and the opportunity to provide promotional materials at each seat during the sponsored meeting.
- Inclusion of your company's name on promotional materials, flyers and reminder e-mails.
- Additional employees of your company can attend the sponsored meeting, beyond the included five attendees.
